

ANSWERS - WDSG-UK 2017 UK TOWNS & CITIES DINGBATS QUIZ

Thank you to everybody who took part in the quiz which raised a magnificent £300 for the Group. 35 entries were submitted with no all-correct answer sheets. Four people (**Heather Dixon, Ken Dunkerley, Ruth Morgan and Liz Wood**) had just one wrong answer and their names were duly put into a hat for Dr John Walshe to draw a winner. Our congratulations go to **Ken Dunkerley** whose name was drawn, and our commiserations go to the other three.

The Dingbats which seemed to cause the most problems were **Nos. 17** - Torquay (walkie-talkie without the walkie!), **22** - Crewe (although Truro was very imaginative!), **24** - Westward Ho! (the word *ho* written from right to left in a westward direction!), **25** - Inverness (*in* the word *Vern* - *ess*), **29** - Andover (handover in a relay race), **34** - Ascot (simple when you know the answer!) **38** - Leeds (dog lead & electrical lead) and finally **41** - Bath (not intended to be difficult, but chosen rather because of all the pictures of baths, this was the most quirky!)
